For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can go to a particular provider on this list. If you want to make sure, call that provider to ask whether he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your Member Handbook carefully to find out what is covered.
