Uses 2023 HHS Poverty Guidelines

For families/households with more than 8 persons, add \$5,140 for each additional person.  
 Pregnancy coverage continues through last day of the month **one year** after the pregnancy ends.  
 The cutoffs are actually 133%, 275%, 278% and 283% **plus a 5% disregard**. That's why these numbers are different from numbers published elsewhere.
